Referencia: Appointments in FCC Procurement Department.

The following appointments have been made at the proposal of the Director of the FCC Procurement Department:

- Director of Procurement — Technical Equipment and IT: Laura Lloro Modrego
- Director of Procurement — Subcontracting: David Álvarez Rodríguez
- Director of Procurement — Machinery and Vehicles: Jaime Peromarta Regert

Laura Lloro holds an MSc Chemistry Degree. She began her career in the Industrial Waste division of Retra-Oil (Urbaser). In 2002, she joined FCC Ámbito (TPA) as Head of Service for IBERIA (Madrid) and was subsequently appointed Plant Manager of the Valdebebas Physical/Chemical Treatment Plant. She joined the Procurement Department in 2010.

David Álvarez is a Civil Engineer. He began his career in 2001 as a Site Manager at FCC Construction. He joined the Procurement Department in 2010.

Jaime Peromarta is a Mining Engineer. He began his career at the Almaraz nuclear power plant and then joined TRW Automotive as Project Manager. In 2007, he was hired by PROSER to develop water projects, where he also worked as Quality Manager. He joined the Procurement Department in 2010.

These appointments will be effective as from today.

I expect the new appointees to be given all possible support to enable them to succeed in their new professional endeavours.
