

Appointments at FCC Construction

On Thursday, 25 September, the Board of Directors, chaired by **Esther Alcocer Koplowitz**, made the following appointments following a favourable report from the Appointments and Remuneration Committee:

CONSTRUCTION AREA

MIGUEL JURADO FERNÁNDEZ, Chairman of FCC Construction and member of the Management Committee. Mr Jurado will report to the Vice-Chairman and CEO, Juan Béjar Ochoa, and replaces Fernando Moreno, who has been chairman of the Construction subsidiary since March 2013.

Mr Jurado obtained a degree in Civil Engineering from the Technical University of Madrid in 1987 and an MBA from IESE. He joined FCC, in the Construction area, in 1988.

In 2005, he was appointed head of Development and Subsidiaries at Aqualia; that same year, he was appointed Deputy General Manager of Development and International Business at Aqualia. He has been General Manager of FCC Construction since March 2013.

VICENTE MOHEDANO MARTÍN, General Manager of FCC Construction. Reporting to the Chairman of FCC Construction.

Mr Mohedano obtained a degree in Civil Engineering from the Technical University of Madrid.

Since joining the Construction division in 1991, he has accumulated sound experience with managing civil engineering and industrial projects, and has held a number of positions of responsibility in those areas. He has been manager of Latin America and Algeria since June 2013.
